1 What is a "radiator"? A heating device which uses pipes and water 2 On p 51, how does the author show that Mr Little is proud of Tom? He has Mr Little say, "I wish you could have seen him" and "It was something to see" 1 If you have a limp, what part of your body is hurting? If you have a limp, your leg is hurting 2

#### **MEET LUMPHY, STINGRAY, AND PLASTIC! - Random House**

Lumphy longs to sleep on the big high bed with the Little Girl So much so that he recruits StingRay to send subliminal messages to her in her sleep

And it works! But sleeping with the Little Girl isn't all that Lumphy thought it would be Each night, he jumps off the bed to play on the floor with the other toys The clever Little Girl decides

### **trademark of Hachette Book Group, Inc.**

look at it, nothing much happened She was a girl who came into my class after the beginning of the year and was only there for a couple of weeks or so Stuff did get a little crazy for a while, but it didn't last long, and I think it was mostly in my head anyway (the radiator hole) that could suck the pavement right up into it It's

### **www.meredithsuewillis.com**

The man and the wife put the little girl up front with them and left the baby in back with me The radiator was hissing steadily Beyond that, I didn't hear a thing As far as I could tell, I was the only one conscious As my eyes adjusted I little more used to the idea now of how really badly broken he was, and made sure there was

### **Toni Morrison Recitatif - Chandler Unified School District**

was pretty-like always, and she smiled and waved like she was the little girl looking for her mother- not me I walked slowly, trying not to drop the jelly beans and hoping the paper handle would hold I had to use my last Chiclet because by the time I finished cutting everything out, all the Elmer's was gone I am left-handed

### **The Story of the Lamp**

Or we may picture it as the spirit of light which, within little more than a human generation, has gone through a bewildering series of reincarnations and has, in the process, laid tribute upon the greatest men of science and upon a countless host of chemists, metallurgists, designers, inventors, engineers, organizers; and industrial workers

### **The Passenger Pigeon - Iowa State University**

by Jean Little Every so often, my father tries making bread He's too impatient though He puts it on top of the radiator to make it rise faster And I doubt if he kneads it as long as the books say he should He likes to see results When it's baking, the whole house smells like heaven But you do have to hurry and eat it while it's fresh

### **UNITED STATES OF AMERICA BEFORE FEDERAL TRADE ...**

under car hood as man pours Sierra into car radiator Depiction of woman with girl and dog And it's biodegradable Depiction of lake and trees I mean, what if their dog gets into it? Depiction of dog with man by garage Or their kids? Depiction of little girl with a barrel This is serious Depiction of little girl looking into barrel

### **Aubrey - SimplyScripts**

The little girl is struck as if the giraffe had talk back She gets up again, paces to the plush toy, and gazes at her with a mean look Suddenly, she slaps her on the snout The giraffe falls on her side Aubrey looks down at her, satisfied She paces to the bedside table, opens the drawer, and takes children's scissors out

**1st Short Selections - Weebly**

smart mouth, little girl," he said "You ought to know by now what I want Maybe you ought to get a job a girl can do right' Isabel knew the whole routine from start to finish, including the insults Mr Watts watched like a hawk as she ran a dollar's worth of gas into the tank He didn't take his eyes off her He watched to make

**E. L. Doctorow Ragtime First published in 1974 The author ...**

The little boy stood at the end of the porch and fixed his gaze on a bluebottle fly traversing the screen in a way that made it appear to be coming up the hill from North Avenue The fly flew off An automobile was coming up the hill from North Avenue As it drew closer he saw it was a black 45-horsepower Pope-Toledo Runabout
